APPLICATION FOR MASTER ELECTRICIAN LICENSE

In order to be approved for the Idaho Master Electrician examination, you must have worked as a licensed journeyman electrician for a period of not less than four (4) years.

TESTING: The applicant must submit an application form to the Electrical Bureau. Upon approval of the application, the Electrical Bureau will issue an **examination registration form** to the applicant, which must then be completed by the applicant and mailed to the testing service. Applicants will be required to obtain a score of seventy-five percent (75%) or above on the exam before a master electrician license will be issued.

RECIPROCITY: Idaho has master electrician licensing reciprocity with the states of **Utah and Wyoming**. If you tested for your Master electrician's license in the Utah or Wyoming send a copy of that **current** license with the completed application.

FEES: **A \$15 administrative fee** must accompany this application, whether applying to test or to reciprocate. If an applicant for testing does not take the examination within 60 days of Bureau approval, he/she must reapply to the Bureau and resubmit the \$15 fee.

Upon passing the examination, applicants may submit the \$65 master license fee payable to the Electrical Bureau. **Applicants for reciprocity may include the \$65 license fee with the application.** Applicants failing to purchase a license within ninety (90) days of the date of successful examination shall be required to reapply for licensure, again obtain the Bureau approval, and re-examine.

PLEASE MAIL THE COMPLETED APPLICATION, A PHOTOCOPY OF YOUR PICTURE IDENTIFICATION, AND THE \$15.00 ADMINISTRATIVE FEE TO ADDRESS ABOVE
