Chairman McAlvain welcomed Jim Roletto to the Board. Mr. Roletto will assume the position of engineer representative.

♦ **Open Forum**
Requirements for Job History – Lauren Rogers, All Star Striping, addressed the job history requirements specified in IDAPA 07.05.01.110.01(g); expressing difficulty in providing the necessary documentation. The Idaho Transportation Department (ITD) is repackaging its contracts by combining regions and issuing contracts to cover more than one year. In order to bid and be awarded future ITD projects, Ms. Rogers requested an exception be made to allow All Star Striping to upgrade from a “B” to an “A” license.

The Board was unable to grant an upgrade due to the current verbiage of the rule. The Deputy Administrator of Operations will provide Ms. Rogers with the Board’s decision.

**ACTION:** The Deputy Administrator of Operations will inform Ms. Rogers of the Board’s decision with regard to her request to upgrade All Star Striping’s PWCL license from a “B” to an “A”.
Approval of April 8, 2013 Agenda
MOTION: Jim Roleto made a motion to approve the agenda as presented. Robbie Austin seconded. All in favor, motion carried.

Approval of January 7, 2013 Board Meeting Minutes
MOTION: Jim Roletto made a motion to approve the minutes as written. Robbie Austin seconded. All in favor, motion carried.

Election of Officers
In accordance to Idaho Code § 54-1908, the Board shall elect officers at the April meeting of each year.

MOTION: Ken Worst made a motion to reappoint Torry McAlvain as chairman and John Sheldon as vice-chairman. Brian Bailey seconded. All in favor, motion carried.

Experience Qualifications for Contractors
Requirements for Job History
This is a continuation of the “Open Forum” topic. Although specific specialties are bonded and qualify financially, without documentation of jobs done at the 70% level in the classification they are currently licensed in, the Division is precluded from granting an increase in classification.

The Board agreed to promulgate a temporary rule; modifying it to allow the Board authority to review and make changes on a case-by-case basis. The chairman asked the topic Requirements for Job History be placed as an action item on the July 8th meeting agenda, as well as the Division provide the Board with a list of licensed striping PWC contractors.

ACTION: The topic Requirements for Job History will be placed on the July 2013 agenda as an action item.

ACTION: The Division will bring a temporary rule to the July 8, 2013 meeting.

ACTION: The Division will provide the Board with a list of licensed striping PWC contractors.

Guarantor Agreements – Revised Business Entity and Personal Guarantor Agreements were provided. The guarantor is financially liable to fulfill the contractual obligations of the applicant.

Subcontractor Bidding as a Prime – Recently, the Division received a bid protest against a specialty contractor who bid a job as a prime; trying to substantiate at least 50% of the work fell under its category. The description in rule could be subject to reasonably different interpretations.

There are 125 specialty categories in rule with several overlapping. The Board requested the Division re-examine all specialty categories; coming back to the July Board meeting with recommendations on how to streamline this issue.

ACTION: The Division will bring to the July 2013 meeting suggestions to prevent unqualified licensees from bidding as a prime.
Operational Report
Quarterly PWCL Board Report – There have been 675 Public Works Licenses (originals and renewals) issued from January through March 2013. Of the licenses issued, 34 are upgrades and 16 are downgrades. This fiscal year, the program has collected $8,086 in assessments.

Legislation – The following rules are in effect: 1) Class “CC” license, and 2) Financial statements cover the period of time ending no more than 12 months prior to the application date.

New Initiative – The Division would like to facilitate online licensure, i.e., submission of applications, especially renewals.

Administrator Report

Budget Presentation – The Division’s FY 2014 JFAC Budget presentation was presented via PowerPoint.

Changes in the Workforce – A PowerPoint presentation titled Changes in Workforce was delivered by the Administrator.

Construction in Idaho – New corporate headquarters, Melaleuca Wellness Company, Idaho Falls; new Loves Travel Centers, Bonneville County; and ten additional lines at Chobani yogurt plant, Twin Falls.

City of Meridian – DBS has a contract with the city of Meridian to provide mechanical and electrical inspections.
