## **NOTICE OF RULEMAKING**

The Idaho Logging Safety Program has scheduled a public meeting for April 19, 2017, to allow interested parties the opportunity to provide comment on the rules addressing cable assisted logging systems as well as amend provisions of the existing logging safety rules as it determines necessary through the negotiated rulemaking process.

The public hearings will be held at the following two (2) locations and connected via videoconferencing; the Idaho Department of Environmental Quality regional office located at 2110 Ironwood Parkway, Coeur d'Alene, Idaho 83814 and the Idaho Department of Environmental Quality regional office located at 1118 F Street, Lewiston, Idaho 83501. Participation in the meeting will also be made available throughout the state via teleconference at a telephone number provided on the Division of Building Safety website: <http://dbs.idaho.gov>. During the public meeting on April 19, 2017, additional negotiated rulemaking meetings may be established by the Division, if necessary. Interested members of the public who wish to participate must submit any written comments, questions, recommendations, or ideas to the Division of Building Safety, Logging Safety Program on designated forms available at the Division of Building Safety website <http://dbs.idaho.gov> and at the DBS offices in Meridian, Coeur d'Alene, and Pocatello, Idaho. The Idaho Logging Safety Program encourages interested parties to present proposals orally at the April 19, 2017 meeting or to submit written proposals for the record at any time prior to April 7, 2017.

Should you have any questions or concerns about this rulemaking process or the public meetings, please contact Ron Whitney at the Division of Building Safety via e-mail [Ron.Whitney@dbs.idaho.gov](mailto:Ron.Whitney@dbs.idaho.gov). The Division of Building Safety and the Idaho Logging Safety Program look forward to your participation in this process.

Sincerely,

A handwritten signature in black ink, appearing to read "Chris L. Jensen".

CHRIS L. JENSEN  
Administrator, Division of Building Safety

#### **NOTICE OF INTENT TO PROMULGATE RULES - NEGOTIATED RULEMAKING**

**AUTHORITY:** In compliance with Sections 67-5220(1) and 67-5220(2), Idaho Code, notice is hereby given that this agency intends to promulgate rules addressing cable assisted logging systems in the State of Idaho. The Division of Building Safety desires public comment prior to initiating formal rulemaking procedures. This negotiated rulemaking action is authorized pursuant to Section 67-2601A, Idaho Code.

**MEETING SCHEDULE:** A public meeting on the negotiated rulemaking will be held as follows:

A public meeting is scheduled by the Division of Building Safety for April 19, 2017 at 3:00 p.m. (Pacific Time Zone). The meetings will be held at the following two (2) locations and connected via video teleconferencing: the Idaho Department of Environmental Quality regional office located at 2110 Ironwood Parkway, Coeur d'Alene, Idaho 83814 and the Idaho Department of Environmental Quality regional offices located at 1118 F Street, Lewiston, Idaho 83501. Participation in the meeting will also be made available throughout the state via teleconference at a telephone number provided on the Division of Building Safety website: <http://dbs.idaho.gov/>. During the public meeting on April 19, 2017, additional negotiated rulemaking meetings may be established by the Division, if necessary. Adequate notice of the dates, locations, and manner of participation of any such meeting will be posted on the Division of Building Safety website <http://dbs.idaho.gov/>.

The meeting sites will be accessible to persons with disabilities, if needed. Requests for accommodation must be made not alter than five (5) days prior to the meeting to the agency address below.

**METHOD OF PARTICIPATION:** Persons wishing to participate in the negotiated rulemaking must do the following:

Interested members of the public who wish to participate must submit any written comments, questions, recommendations, or ideas to the Division of Building Safety, Logging Safety Program on designated forms available at the Division of Building Safety website <http://dbs.idaho.gov/> and at the DBS offices in Meridian, Coeur d'Alene, and Pocatello, Idaho. Individuals may also attend the public meeting to be conducted on the above date during which the Division will allow oral comments or presentations to be made. You may contact the Division by contacting Ron Whitney at the Division of Building Safety. Mr. Whitney's email address is [Ron.Whitney@dbs.idaho.gov](mailto:Ron.Whitney@dbs.idaho.gov).

Upon conclusion of the negotiated rulemaking, any unresolved issues, all key issues considered, and conclusion reached during the negotiated rulemaking will be addressed in a written summary. The summary will be made available to interested persons who contact the agency or, if the agency chooses, the summary may be posted on the agency website.

**DESCRIPTIVE SUMMARY:** The following is a statement in nontechnical language of the substance and purpose of the intended negotiated rulemaking and the principle issues involved:

Pursuant to Section 67-2601A, Idaho Code, the Administrator of the Idaho Division of Building Safety has the authority to promulgate rules adopting minimum logging safety standards and procedures for conducting logging inspections and safety training. The Division desires to establish a new chapter of rules related to cable assisted (or tethered) logging systems, also known as steep-slope logging, as well as amend provisions of the existing logging safety rules as it determines necessary through the negotiated rulemaking process. Specifically, the Division seeks to establish machine and equipment, line, and operational safety standards applicable to the practice of cable-assisted logging in Idaho. The Division seeks the participation of the affected industry, interested parties, and the public at

large in this rulemaking process to ensure that due consideration is given to the varying views about the adoption of logging safety rules for application in Idaho.

**ASSISTANCE ON TECHNICAL QUESTIONS, SUBMISSION OF WRITTEN COMMENTS, OBTAINING COPIES:** For assistance on technical questions concerning this negotiated rulemaking or to obtain a copy of the preliminary draft of the text of the proposed rule, contact Ron Whitney, Deputy Administrator – Division of Building Safety (208) 332-7150. Materials pertaining to the negotiated rulemaking, including any available preliminary rule drafts, can be found on the DBS website at <http://dbs.idaho.gov/>.

Anyone may submit written comments regarding this negotiated rulemaking. All written comments, questions, recommendations, and ideas must be directed to the undersigned and must be submitted on the appropriate form to the Division of Building Safety by April 7, 2017. Forms may be submitted via email to [neg.rules@dbs.idaho.gov](mailto:neg.rules@dbs.idaho.gov).

DATED this 1<sup>st</sup> day of February 2017.

Ron Whitney, Deputy Administrator
