## NOTICE OF RULEMAKING

Please be advised that the Idaho State Plumbing Board has scheduled public hearings on March 29, 2018 and June 7, 2018 to allow interested parties to recommend amendments to the 2017 Idaho State Plumbing Code. The public meeting previously scheduled for May 17, 2018 has been cancelled and re-scheduled for June 7, 2018. Also, additional meetings may be scheduled as a result of discussions and negotiations held on the above-referenced dates, and if so, these dates will be posted on the DBS website.

The public hearings will be held at the Division of Building Safety (DBS) at 1090 E. Watertower St., Suite 150, Meridian, Idaho 83642, and via videoconferencing at 1250 Ironwood Dr., Suite 220, Coeur d'Alene, Idaho 83814, and 2055 Garrett Way, Building 1, Suite 4, Pocatello, Idaho 83201. A copy of the tentative agenda for the board meetings will be posted on the DBS website in accordance with the Idaho Open Meeting Law (I.C. §74-201 *et seq*) when they become available. The Board will permit oral comments or presentations to be made to it by any interested individuals at that time. The board encourages interested parties to present proposals orally at the March 29, 2018 board meeting or to submit written proposals for the record at any time prior to March 23, 2018. All change proposals must include supporting information needed to facilitate consideration of the proposal.

Should you have any questions or concerns about this rulemaking process or the public meetings, please contact me or an appropriate member of the DBS staff at 208-334-3950. You may also contact the Chairman of the Idaho Plumbing Board, Matt Gardner at 208-232-5632 and [mattgardner406@gmail.com](mailto:mattgardner406@gmail.com).
