Course Approval Requirements

General Information

Continuing education courses for plumbers must cover technical aspects of the plumbing trade. Courses related to business, management, supervision, personal computer skills or first aid, will not be approved. Courses will be approved as either code update or industry related based on the criteria as defined in this section.

Any Uniform Plumbing Code or industry related courses from IAPMO, ICC, or the Division of Building safety (DBS); given by an IAPMO, ICC or DBS approved instructor(s) will be accepted without pre-approval.

Time spent attending plumbing board meetings and other board activities are eligible for CEU credit for all licensees, up to 50% of the required CEUs in a license cycle. Two (2) hours of code related credit will be given per board meeting.

Anyone holding a current position in the following areas will not be required to meet the 4 (four) hour code update requirements; plumbing apprentice instructors and city/State inspectors.

General Course Requirements

1. All class rosters must be submitted to CEBroker.

2. Code update courses must be at least two (2) hours in length.

3. Industry related courses must be at least one (1) hour in length.

3. Courses must be taught by an instructor approved by the Division.

4. The presentation should be delivered orally and supplemented with appropriate visual media. Pre-taped video or audio shall be held to a minimum.

5. All programs are subject to audit by representatives of the Division or the Idaho Plumbing Board for content and quality without notice and at no charge. Course and instructor approval are subject to revocation if the minimum requirements of course content or instructor qualification are not maintained.

6. Credit will not be given to a licensee who attended a course prior to that course being approved by the Division.
