Please check the nature of the violation being alleged below (*check all that may apply*):

****MUST PROVIDE DOCUMENTATION FOR ANY VIOLATION CHECKED****

- Pre-marking Excavation Site. Any person who fails to adequately pre-mark onsite the path of proposed excavation as reasonably required under the circumstances in accordance with Section 55-2205(1)(b), Idaho Code.
- Notice of Excavation. Any person who fails to provide notice of the scheduled commencement of excavation to any underground facility owner through a one-number notification service, or directly to a facility owner, as applicable within the prescribed time as required by Section 55-2205(1)(c), Idaho Code.
- One-Number Notification to Facility Owner. A one-number notification service that fails to provide notice of a scheduled excavation upon notification from an excavator.
- Failure to Locate or Mark. An underground facility owner who fails to locate or mark its underground facilities in accordance with Section 55-2205(2), Idaho Code, or within the prescribed time provided therein.
- Failure to Wait for Locate or Maintain Markings. An excavator who commences excavation prior to waiting the time prescribed by Section 55-2205(2), Idaho Code, for all known facilities to be located and marked, or an excavator who fails to maintain the markings of underground facilities previously so marked subsequent to the commencement of excavation in accordance with Section 55-2205(2), Idaho Code.
- Failure to Cease Excavation or Report Unidentified Facilities. An excavator who does not cease excavation in the immediate vicinity upon the discovery of underground facilities therein, whether such facilities be active or abandoned, which were not previously identified or located with reasonable accuracy, or does not notify the owner or operator of the facilities, or a one-number notification service in accordance with Section 55-2205(4), Idaho Code.
- Failure to Identify Facilities in Contract Documents. Project owners who fail to indicate in bid or contract documents the existence of underground facilities known by the owner to be located within the proposed area of excavation in accordance with Section 55-2207, Idaho Code.
- Precautions to Avoid Damage. An excavator who does not engage in any of the activities required by Section 55-2207(2), Idaho Code, or use reasonable care to avoid damage to underground facilities.

- Did the offender call for locates?
- Did the offender pre-mark onsite or inform the underground facility owner/locator the path of proposed excavation accurately?
- Did the offender wait the full 2 business days before excavation?
- Were the locates provided accurate?
- Did the offender hand dig within 24 inches of the locates to determine the location of the underground utility?

Please describe how the offender did not take precautions to avoid the damage that occurred.

- Reporting of Damage to Facility. An excavator who fails to report to a facility owner and a one-number notification service any contact or damage to an underground facility caused by such excavator in the course of excavation, or fails to alert an appropriate authority upon an actual breach of a facility which causes the release of gas or hazardous liquids as required by Section 55-2208(1), Idaho Code.
- Failure to Participate. Any person who fails to participate or cooperate with a one-number notification service as required by Section 55-2206, Idaho Code.
