◆ **Authorize Notice of Adoption of Temporary Rule Regarding IDAPA 24.39.31, 24.39.33 and 24.39.34**

At the adjournment of each legislative session, all fee rules must be approved via concurrent resolution by both the House and Senate Floors. In the past, fee rules have not been reauthorized. Therefore, in preparation of this possibly happening again, the Governor’s office has asked all boards with rulemaking authority to authorize them on a temporary basis. The substance of the rules have not changed since being submitted to the 2021 legislature and would become effective upon sine die until the legislature meets in 2022.

The Chairman read the following motion for adoption: “Pursuant to Section 67-5226, Idaho Code, the Governor has found that temporary adoption of these rules are appropriate to protect the public health, safety, and welfare of the citizens of Idaho and confer a benefit on its citizens. These rules implement the duly enacted laws of the state of Idaho, provide citizens with the detailed rules and standards for complying with those laws, and assist in the orderly execution and enforcement of those laws. The expiration of these rules without due consideration and processes would undermine the public health, safety and welfare of the citizens of Idaho and deprive them of the benefit intended by these rules. The Governor has also found that the fees or charges being imposed or increased are justified and necessary to avoid immediate danger to the agency/department/board/commission’s budget, to the state budget, to necessary state functions and services, and to avoid immediate danger of a potential violation of Idaho’s constitutional requirement that it balance its budget. Therefore, we are adopting IDAPA 24.39.31, 24.39.33 and

24.39.34 to be effective upon sine die of the 2021 session of the Idaho Legislature. The approval is conditional and will only become effective if the rules are not otherwise approved or rejected by the Legislature and/or not extended pursuant to the Idaho Administrative Procedure Act, including sections 67-5291 and 67-5292, Idaho Code.”

MOTION: Mike Hampton made a motion to approve the statement read by Chairman Alley. Mike Jensen seconded. All in favor, motion carried.

◆ **Adjournment**

MOTION: Mike Hampton made a motion to adjourn the meeting. Ken Roche seconded. All in favor, motion carried.

The meeting adjourned at 11:10 a.m. (MST).
