◆ **Authorize Notice of Adoption of Temporary Rule Regarding IDAPA 24.39.50**

In the past, fee rules have not been approved or reauthorized by the legislature. Therefore, in preparation of this possibly happening again, the Governor’s office has asked all boards with rulemaking authority to promulgate them on a temporary basis. The rules would then be in place until the 2022 legislative session. The substance of the rules have not changed since being submitted to the 2021 legislature and would become effective upon sine die.

MOTION: Larry Geyer made a motion that pursuant to Section 67-5226, Idaho Code, the Governor has found that temporary adoption of this rule is appropriate to protect the public health, safety, and welfare of the citizens of Idaho and confer a benefit on its citizens. These rules implement the duly enacted laws of the state of Idaho, provide citizens with the detailed rules and standards for complying with those laws, and assist in the orderly execution and enforcement of those laws. The expiration of these rules without due consideration and processes would undermine the public health, safety and welfare of the citizens of Idaho and deprive them of the benefit intended by these rules. The Governor has also found that the fees or charges being imposed or increased are justified and necessary to avoid immediate danger to the agency/department/board/commission’s budget, to the state budget, to necessary state functions and services, and to avoid immediate danger of a potential violation of Idaho’s constitutional requirement that it balance its budget. Therefore, we are adopting IDAPA 24.39.50 to be effective upon sine die of the 2021 session of the Idaho Legislature.

The approval is conditional and will only become effective if the rules are not otherwise approved or rejected by the Legislature and/or not extended pursuant to the Idaho Administrative Procedure Act, including sections 67-5291 and 67-5292, Idaho Code. Jake Claridge seconded. All in favor, motion carried.
