## IDAHO PLUMBING BOARD MEETING

Thursday – May 20, 2021 – 9:30 a.m. (MDT)

Division of Building Safety  
1090 East Watertower Street, Suite 150, Meridian  
1250 Ironwood Drive, Suite 220, Coeur d'Alene  
155 North Maple Street, Blackfoot

### \*DRAFT MINUTES OF THE MAY 20, 2021 MEETING

NOTE: The following report is not intended to be a verbatim transcript of the discussions at the meeting but to record the significant features of those discussions.

Chairman Matt Gardner called the meeting to order at 9:40 a.m. (MDT)

#### Board Members Present:

Matt Gardner, Chairman  
Gilbert Pond, Vice-Chairman  
John Kierce  
Rick Garrett  
Bob King

#### DBS Staff Members Present:

Ron Whitney, Administrator  
Spencer Holm, Deputy Attorney General, Telecon.  
John Nielsen, Plumbing Program Manager  
Adam Bowcutt, Regional Manager, Region 3  
Chuck Knapp, Regional Supervisor, Region 1  
Josh Nyman, Regional Supervisor, Region 3  
Renee Bryant, Administrative Assistant 2

#### ◆ Open Forum

There were no new concerns to address under open forum.

City/County Concerns – There were no new city/county concerns to address under open forum.

#### ◆ Approval of the May 20, 2021 Agenda, February 24, 2021 (Special) and March 18, 2021 Meeting Minutes

MOTION: Rick Garrett made a motion to approve the agenda as presented and meeting minutes as written. Gilbert Pond seconded. All in favor, motion carried.

#### ◆ Zero Based Regulation

Based on Governor Brad Little's Executive Order (E.O.) 2020-01 *Zero-Based Regulation* (Regulation), and meeting with the Administrative staff of the Division of Occupational and Professional Licenses (DOPL), Plumbing Program Manager John Nielsen was authorized to move forward with proposed rule changes for the 2023 legislative session. In the board packet, as well as on the Division of Financial Management's (DFM) website, is an agency guide on how to complete the Prospective Analysis form, as outlined in the E.O.

DOPL Operations and Regulatory Bureau Chief Tim Frost explained the history behind the creation of DOPL, which is now comprised of all occupational licensing boards within three distinct sections: Building Construction and Real Estate, Occupational, and Healthcare.

In addition, Mr. Frost expounded on the Regulation; citing every state agency that does rulemaking is on a slotted schedule where their entire rule chapter(s) and rulebook gets repealed

and replaced. The Plumbing Bureau will comply with the Regulation throughout 2022, with the Board having multiple meetings and public hearings for stakeholders to provide input. Bureau Chief Frost described the Perspective Analysis that will go to DFM for approval.

Bureau Chief Frost answered the following questions posed by Darcy Neidigh, DeBest Plumbing, College of Western Idaho (CWI) Representative Steve Bennett, Board Member Gilbert Pond and Board Member Rick Garrett: 1) When will DBS's information be replaced with DOPL's information in the statute and rules, 2022 or 2023 legislative session; 2) Authority over regulations, State (less restrictive) versus city/county jurisdictions (more stringent); 3) Will the rules be repealed and replaced; and 4) Does the State control the federal government regulations. Deputy Attorney General Spencer Holm recapped that the State sets the minimum standards for codes. Local jurisdictions cannot go below the State's minimum standards; however, can be more restrictive.

The topic changed to finances with Mr. Frost and Ron Whitney, Delegatee of the Administrator, answering the following questions posed by Board Member Rick Garrett and Chairman Matt Gardner: 1) With the merger, where will DBS's equipment and Board funds be placed; 2) When will the Board begin to see the new fiscal report; 3) Who generates the financial report; and 4) Will the cost to move to the Chinden Campus be equally shared with the 11 agencies and numerous self-governing board's now under DOPL.

#### ◆ **Code Changes**

The Plumbing Program Manager addressed the following proposed changes to the permit fee schedule in IDAPA 24.39.20.102:

- .01 *New Residential* – Added was “one and two-family dwellings”. Townhouses would be considered residential due to the way they are built. Anything beyond would be considered commercial, including apartments.
- .02 *Miscellaneous* – Verbiage was removed from the table in this subsection. The most notable changes were the addition of the language “shops, remodels, additions, gray water, hydronic and fuel gas systems”, and “water heater replacement”, as well as their inspection fees “\$130” and “\$65”, respectively.

The Board questioned whether a plumbing contractor could pull a mechanical permit for gas piping. If the job is within the State's jurisdiction and a plumbing contractor does not have a mechanical license, the answer is no. When a contractor has both licenses, it is preferred the permit be issued under the mechanical license. For a job in another jurisdiction, a mechanical permit will be required as the definition of a mechanical systems is in the HVAC code. However, in statute, a plumbing contractor can run gas piping/hydraulics under his license when working within the foundation of a one and two-family dwelling unit.

#### ◆ **Program Manager Report**

NOV Activity Report – Steve Bennett, CWI, noticed there were more violations than usual; asking if something has changed with enforcement. The Division has a full-time compliance officer checking licenses and ratios throughout the State of Idaho, as well as inspectors.

Revenue – A breakdown of revenues, July 1, 2020 through March 31, 2021, is as follows: 1) Permits--\$2,267,968 (96.7%), 2) Licensing and exams--\$60,173 (2.5%), and 3) Civil penalties--\$18,000 (.08%).

Inspections – For the first three months in 2021, the following plumbing inspections were performed: January--2,546 (134/day); February--2,007 (130/day), and March--3,272 (150/day).

◆ **Administrator Report**

DBS Merging Under DOPL – The Division has been given direction to begin removing the DBS logo and title from all printed material, changing them to DOPL.

Proposed Legislation – At the February 24, 2021 special meeting of the Board, the Notice of Adoption of Temporary Rule Chapter IDAPA 24.39.20 was approved and then presented to the 2021 legislature. In order for Idaho administrative rules to become final, both the Senate and House of Representatives must pass a concurrent resolution to approve administrative rules that impose a fee or charge, with exceptions, and reject certain agency rule dockets that are not approved. The Senate introduced and passed Senate Concurrent Resolution 108; however, the House of Representatives did not take up or address the resolution. Similar to the two previous years, the only pathway for agencies to reauthorize administrative rules is through the Governor’s temporary rulemaking authority pursuant to Section 67-5226, Idaho Code.

DOPL – A project manager and business analysis have been hired and will begin the “Request for Proposal” process for a new licensing software. Permits have been submitted for time and material on the remodel of Building Four at the State Chinden Campus.

Financial Report – Projected revenue, through March 2021, is 107 percent of what was budgeted, and 97 percent for expenditures.

Permit Activity – For the first four months of 2021, compared to the same time in 2020, permit activity is up 19 percent, and 2020 was ten percent higher than 2019.

◆ **Adjournment**

**MOTION:** John Kierce made a motion to adjourn the meeting. All in favor, motion carried.

The meeting adjourned at 11:02 a.m.

## IDAHO PLUMBING BOARD SPECIAL MEETING

Wednesday – June 9, 2021 – 9:30 a.m. (MDT)

Division of Building Safety  
1090 East Watertower Street, Suite 150, Meridian  
1250 Ironwood Drive, Suite 220, Coeur d’Alene  
155 North Maple Street, Blackfoot

### \*DRAFT MINUTES OF THE JUNE 9, 2021 SPECIAL MEETING

*NOTE: The following report is not a verbatim transcript of the discussions at the meeting; however, is intended to record the significant features of those discussions.*

Chairman Matt Gardner called the special meeting to order at 9:31 a.m. (MDT)

#### **Board Members Present:**

Matt Gardner, Chairman  
Gilbert Pond, Vice-Chairman  
Rick Garrett  
John Kierce

#### **DBS Staff Members Present:**

Ron Whitney, Administration  
Spencer Holm, Deputy Attorney General-Telecon.  
John Nielsen, Plumbing Program Manager  
Adam Bowcutt, Regional Manager, Region 3  
Chuck Knapp, Regional Supervisor, Region 1  
Renee Bryant, Administrative Assistant 2

#### ◆ **Omnibus Temporary Rule Chapter Proposal--IDAPA 24.39.20**

In order for Idaho administrative rules to become final, both the Senate and House of Representatives must pass a concurrent resolution to approve administrative rules that impose a fee or charge, with exceptions, and reject certain agency rule dockets that are not approved. The Senate introduced and pass SCR 108, but the House of Representatives did not take up or address the resolution. Similar to the two previous years, the only pathway for agencies to reauthorize administrative rules is through the Governor’s temporary rulemaking authority pursuant to Section 67-5226, Idaho Code.

In the board packet is the revised rule chapter, IDAPA 24.39.20, as it will appear upon approval by the Governor. Plumbing Program Manager John Nielsen offered to answer any questions as this was the time for public comments. There was no response from stakeholders attending the meeting, in person or teleconference.

Deputy Attorney General Spencer Holm has compared the new version of the rule chapter with the current rules; explaining that section .002 *Administrative Appeals* was removed in its entirety. The section addressed a ten-day period to appeal a civil penalty and the requirement of a bond in the amount of the penalty. Appellants will now have 21 days to appeal and do not have to pay the fines in advance of the hearing. Board Members Gilbert Pond and Rick Garrett questioned the benefit of removing the ten-day requirement. This does not take away the ability to appeal as the civil penalty process has not changed. In addition, the plumbing rules will be consistent with the electrical and HVAC rules.

The following changes were mentioned by Deputy Attorney General Holm as well: 1) The word “Title” has been removed from section .001 *Title and Scope*, 2) Subsection .01 *Title* has been completely eliminated, and 3) Section 208 *Specialty Plumbing Licenses*, to include subsections .01 through .06, are no longer in rule. Although duplicative language has been removed, the Deputy Attorney General believed more verbiage could be eliminated by keeping the general requirements and removing the specific requirements in each of the specialty license sections.

The Plumbing Program Manager made the following comments: 1) Zero based regulations are forthcoming and stakeholders will have an opportunity to provide input, 2) Everything deleted is either referenced in code or statute, and 3) The mobile home specialty license was removed from statute two years ago. The Division wanted to remove that license from rule last year; however, was informed there was a moratorium on submitting proposed rule changes; thus, the changes as mentioned above.

Throughout the meeting the Chairman asked if there were any questions or concerns. None were offered by the stakeholders.

◆ **Vote to Rescind Existing Temporary Rule Chapter--IDAPA 24.39.20**

When asked, Plumbing Program Manager Nielsen had no further comments.

MOTION: Rick Garrett made a motion to rescind the existing rule chapter IDAPA 24.39.20. Gilbert Pond seconded. All in favor, motion carried.

◆ **Vote to Adopt Temporary Omnibus Rule Chapter--IDAPA 24.39.20**

A recommended motion was provided to the Board. The Deputy Attorney General stated unless the Board has any amendments to the changes presented, a motion was in order.

MOTION: John Kierce made a motion pursuant to Section 67-5226, Idaho Code, the Governor has found that temporary adoption of this rule is appropriate to protect the public health, safety, and welfare of the citizens of Idaho and confer a benefit on its citizens. These rules implement the duly enacted laws of the state of Idaho, provide citizens with the detailed rules and standards for complying with those laws, and assist in the orderly execution and enforcement of those laws. The expiration of these rules without due consideration and processes would undermine the public health, safety, and welfare of the citizens of Idaho and deprive them of the benefit intended by these rules. Therefore, we are adopting this temporary rule to be effective upon July 1, 2021. We are also rescinding our existing temporary rule with an effective date of July 1, 2021. Rick Garrett seconded. All in favor, motion carried.

Chairman Gardner asked if there were any other comments or concerns from the Board. None from the Board; however, it was mentioned the Division’s Coeur d’Alene office is in the process of being remodeled and will double the size of the board room. With no further comments, the Chairman asked for a motion to adjourn the meeting.

◆ **Adjournment**

MOTION: John Kierce made a motion to adjourn the meeting. All in favor, motion carried.

The meeting adjourned at 9:54 a.m. (MDT)

# IDAHO PLUMBING BOARD

**Agenda Item No. 03**

**Zero Based Regulation**

**PRESENTER:** John Nielsen, Plumbing Program Manager

---

**OBJECTIVE:** Update on Zero Based Regulation (ZBR) Townhall Listening Sessions.

---

**ACTION:** Informational

---

**BACKGROUND:** During the month of August 2021, DOPL staff conducted nine townhall listening sessions with stakeholders of Idaho's plumbing industry regarding the current IDAPA plumbing rules. The intent of the listening sessions was to gather feedback on industry's opinion on the reduction of barriers governing the construction trades and practices in Idaho.

# IDAHO PLUMBING BOARD

**Agenda Item No. 05**

**Administration Report**

**PRESENTER:** Ron Whitney / MiChell Bird

---

**OBJECTIVE:** Provide an overview of the Division's current activities.

---

**ACTION:** Informational

---

**BACKGROUND:** This topic is addressed at all regularly scheduled Idaho Plumbing Board meetings and includes the Board's Financial Report.

---

**PROCEDURAL  
HISTORY:**

---

**ATTACHMENTS:** Report

---

**Division of Building Safety**  
 IDAHO PLUMBING BOARD FUND 0229-03  
 Fiscal Year 2021 Financial Statements  
 As of 06/30/21
