Please Note: Registration as an Electrical Apprentice is issued for a period of one (1) year. Hours will be credited only so long as the apprentice is actively registered with the Division of Occupational and Professional Licenses. All hours shall be obtained while working under the constant on the job supervision of a journeyman electrician. All hours shall be obtained while working for a licensed Electrical Contractor, Facility Account or other entity legally authorized to make electrical installations.

Registration as an apprentice is not the same as a license or certificate of competency. No level of competence is implied by a registration.

For requirements to test for the Electrical Journeyman license see IDAPA 07.01.01.
