	10/21/2015 10/21/2015	225 E Oak Genesee	COMPLIANCE	(10/22/2015 7:50 AM GSO) Fielded a call from Wayne Sprouse, (509-336-1827),Avista employee in Genesee area(225 E Oak #4 Genesee Id). They disconnected power from residence due to safety concerns. Gave him information on getting us there to do inspection before power is turned on. Also told him if they energized it we would have to look at it, and if there are safety concerns we would look at having to get a disconnect order. Property is reported to be a rental, all work to be done by licensed electrical contractor.
	10/29/2015 10/29/2015		COMPLIANCE	(10/29/2015 11:15 AM GSO) Called Bart Belknap concerning wiring installed by Morse Enterprises, permit # WEB1408-02137. Franssens Electric brought a situation to our attention, many electrical issues. I advised Bart to fill out citizens complaint, then we would be able to do a "Findings" report for him. Bart said he would talk to the builder and to Frannssen Electric and inform me if he was in further assistance.

"Verification" Inspections by Inspector
For the Period 10/1/2015 thru 12/31/2015

VER1501-00040	10/16/2015	COMPLIANCE	(10/16/2015 1:03 PM MDA)
	10/16/2015		stopped at hwy 91 and anderson in shelley and checked licenses ele-sj-22761 and ele-st-37729 Signiture signs.
	11/30/2015	ADMIN TIME	(11/30/2015 12:37 PM MDA)
	11/30/2015		had tires replaced, and drove to Rexburg to woody smith ford to have check engine light analized. scheduled for 12-3-15 for repair.
	12/03/2015	COMPLIANCE	(12/3/2015 12:12 PM MDA)
	12/03/2015		I received a call from Mike at AK Sign about unlicensed sign contractor next door to Papa Johns Pizzia on Woodruff ave. Idaho Falls installing sign . when i got there i found 2- individuals from IF sign removing a sign and was told Nephis Electric would be there tomorrow to install new sign. I explained the rules and laws to them about installing signs and they were both aware they cannot install any electrical.
	10/26/2015	COMPLIANCE	(10/26/2015 9:15 AM MDA)
	10/26/2015		10-26-15 AM phoned cody powell with clear solar and asked him if he installed a pv array under homeowner permit web1509-01850 and he said he did not but his company did. I informed him he cannot work under a homeowner permit and i would be issuing a notice of violation for unlicensed electrical contractor and he would have to hire a Idaho licensed contractor to permit job and go over installation and assume responsibility before inspection would be made .checked with Amy K and Tara in licensing and found no licenses for clear solar.
	10/02/2015	COMPLIANCE	(10/2/2015 9:53 AM MDA)
	10/02/2015		on 9-29-15 while inspecting a lighting retro fit for A&S electric for plastics inc. @ 4004 n yellowstone ,idaho falls, i found exposed single electrical conductors and splices outside of raceway and boxes from secondary side of transformer (photos) i phoned Kevin the owner on 10-2-15 and explained to him this would have to be corrected by licensed electrical contractor and i was told he was adding some new equipment in the next week or two and would have the electrical contractor make the repairs.
	10/19/2015	COMPLIANCE	(10/19/2015 2:38 PM MDA)
	10/19/2015		checked licenses-ele-j-14877,016566,ele-a-36360,ele-j-24235, permit web1510-00793
	12/01/2015	COMPLIANCE	(12/1/2015 10:40 AM MDA)
	12/01/2015		On 12-1-15 @ 8:30 am I received a phone message that there were unlicensed electricians working on grain silos south of Hwy 26 near Ririe. I drove out to N 115th E were there were existing silos and found and could see from road that across the road from 12042 n 115th E there were 4 silo bases poured and underground conduit installed. no one was on the job site . the person that had called did not leave their name or an exact address. Brandee P. and myself both searched trakit but could not find a permit for that address. will continue to watch job.
