***DRAFT MINUTES OF THE MAY 16, 2019 MEETING**

NOTE: The following report is not intended to be a verbatim transcript of the discussions at the meeting, but to record the significant features of those discussions.

Chairman Matt Gardner called the meeting to order at 9:30 a.m. (MDT)

Board Members Present:

Matt Gardner, Chairman
Gilbert Pond, Vice-Chairman
Rick Garrett
Shaun Urwin

DBS Staff Members Present:

Chris L. Jensen, Administrator
Spencer Holm, Deputy Attorney General
John Nielsen, Plumbing Program Manager
Amy Kohler, Compliance Program Specialist
Renee Bryant, Administrative Assistant 2

◆ **Open Forum**

No new issues were addressed under open forum.

City and County Concerns – No new issues were addressed under open forum.

◆ **Approval of the May 16, 2019 Agenda and March 21, 2019 Board Meeting Minutes**

MOTION: Gilbert Pond made a motion to approve the May 16, 2019 agenda and March 21, 2019 meeting minutes as presented. Shaun Urwin seconded. All in favor, motion carried.

◆ **Vote to Approve Amendments to Idaho Code Section 54-2602(1) and 54-2620(2) to Provide Exception from Licensing Requirements for Manufactured or Mobile Home Installers**

Revised proposed amendments were provided at the meeting. The new language in Idaho Code § 54-2602(1) *Exceptions*, clarifies that individuals holding a current installer license may make connections from manufactured home or mobile home sewer or water facilities to existing sewer or water facilities on site. Idaho Code § 54-2620(2) *Permits Required – Exceptions*, explains who can pull a permit to make the above-mentioned connections. Normally, proposed changes to statute and rules are not run together as it is difficult to manage if one does not pass the legislature. Therefore, the Division will present the statute changes to the 2020 legislature and rule changes to the 2021 legislature. Plumbing Program Manager John Nielsen offered to bring a draft rule to the September 2019 Plumbing Board meeting.

MOTION: Rick Garrett made a motion to accept the amendments to sections 54-2602 and 54-2620 of the Idaho Code as written. Shaun Urwin seconded. All in favor, motion carried.

ACTION: The Plumbing Program Manager will bring a draft rule, to coincide with the statute changes, to the September 2019 board meeting.

ACTION: The topic *Proposed Rule Changes to Licensing Requirements for Mobile Home Installers* will be addressed at the September 2019 meeting as an informational item.

- ◆ **Conduct Negotiated Rulemaking and Vote on Proposed Amendments to IDAPA Rules**
Elimination of Practical Exam Through IDAPA 07.02.05 – The proposal removes the need for a practical exam. There was concern if practical exams were not taken, and inspectors were not inspecting, there could be a loss of funding to the State. In addition, there would not be the means or measurement tool to know if the plumber can execute the practical nature of the examination. If the written test was raised to be considered competent then there would be no need for a practical exam. Board Member Gilbert Pond agreed and is in favor of leaving the current testing as is until there is something to prove an individual is competent. Currently, the rule for a practical is eight fixtures.

On behalf of Brett Wideman, President of Plumbers and Steamfitters UA Local 44, Jason Hudson, Government Affairs Director, AFL/CIO, conveyed there is room to improve the practical exam. Mr. Wideman would be open to making changes; however, would be opposed to its wholesale elimination without corresponding changes in the written exam to make sure the level of competency was maintained.

MOTION: Shaun Urwin made a motion to vote on the elimination of the practical exam. Rick Garrett second. Motion died for lack of a vote.

MOTION: Shaun Urwin made a motion to keep the practical exam as is. Gilbert Pond seconded. Three ayes and one nay, motion carried.

The Chairman stated the special committee will bring supporting documentation to the September 2019 board meeting for further discussion under the informational topic *Practical Exam*.

ACTION: The topic *Practical Exam* will be addressed at the September 16, 2019 meeting as an informational item.

Align IDAPA 07.02.05.016.03.b With Idaho Code Section 54-2617(3), Allowing Revival of a Lapsed Plumbing License Without Examination Within Two Years of the Lapse – Statute has been changed to allow a certificate of competency to be revived within two years without examination. To coincide with statute, the proposed rule changes the length of time from 12 to 24 months as well.

MOTION: Rick Garrett made a motion to accept the change to IDAPA 07.02.05.016.03.b from 12 to 24 months. Shaun Urwin seconded. All in favor, motion carried.

Amend Mobile Home Installation Fees and Simplify IDAPA 07.02.03.011 Fee Schedule – The proposal pertains to the mobile home installation fees. Currently, a mobile home connection permit fee can be used to install mobile, modular, and manufactured homes. With the elimination of the mobile home license, the generic permit fee needs to be separated into two permits.

The Governor's office has identified a method in the rulemaking process to make further cuts/consolidation to word counts in the rules; i.e., Red Tape Reduction Act. To simplify IDAPA 07.02.03.011, permit fees were restructured into table form.

MOTION: Gilbert Pond made a motion to accept the rule changes; amending the mobile home installation fees, as well as simplifying IDAPA 07.02.04.011 Fee Schedule. Rick Garrett seconded. All in favor, motion carried.

◆ **Consolidation of Plumbing Rule Chapters**

Another way DFM has identified to reduce word count is to consolidate chapters. DBS would like to combine the following IDAPA plumbing rule chapters into one chapter: 07.02.02 (Permits), 07.02.03 (Fee Schedule), 07.02.04 (Inspections), and 07.02.07 (Civil Penalties). It was emphasized there would be no substantial changes to the rules, only the elimination of multiple replications. Prior to voting, the Board requested a copy of the draft proposal for review. The topic was postponed until the end of the meeting.

◆ **Continuing Education Units (CEU)**

This topic has previously been discussed regarding CEUs and classes taken. Currently, it is set up that if an individual takes a class in a license cycle, credit is not given if the same class/class number is taken a second time. There is not much difference between sitting in a classroom versus taking on-line courses, especially if it is code related. When asked, Chairman Gardener explained the reasoning behind the requirements of CEUs. Upon further discussion, the Board agreed to leave the CEU process as is.

◆ **Program Manager Report**

Earlier in May, the Plumbing Program Manager attended a Technical Committee meeting in Denver, Colorado, to discuss the 2021 Uniform Plumbing Code (UPC). Membership voting will be held in September 2019, at the Business Conference in Reno, Nevada, and in the spring/summer of 2020, the 2021 code will be in print. The Board was asked if they would like to explore the option of adopting the 2021 UPC as it has been two code cycles since the code was last updated.

◆ **Compliance Program Report**

The Compliance Program Specialist has seen a small increase in violations as she continues to receive input from inspectors from other jurisdictions. In June, Compliance Program Specialist Amy Kohler will travel to north Idaho; introducing herself, as well as reconnecting with city and county representatives.

◆ **Consolidation of Plumbing Rule Chapters (Cont'd)**

The Board received a draft copy of the proposed rule changes; combining chapters two, three, four and seven. Deputy Attorney General Spencer Holm addressed additional changes

to be made prior to the submittal at the 2020 legislature. When asked, chapters five and six will stay as is; independent of all other chapters.

MOTION: Gilbert Pond made a motion to move forward with the consolidation of plumbing rule chapters, and accept the additional corrections as discussed. Shaun Urwin seconded. All in favor, motion carried.

◆ **Administrator Report**

Financial Report – The Financial Report looks good with no issues.

Conference – The Division’s annual Regional Manager Conference was held at the Meridian office on May 15-16, 2019.

Reports – For future meetings, the Chairman requested longer spreadsheets be rotated to the landscape format when placed on the Division’s website.

◆ **Adjournment**

MOTION: Gilbert Pond made a motion to adjourn the meeting. Shaun Urwin seconded. All in favor, motion carried.

The meeting adjourned at 11:12 a.m. (MDT)

MATT GARDNER, CHAIRMAN

***DRAFT MINUTES OF THE MAY 2, 2019 SPECIAL MEETING**

NOTE: The following report is not intended to be a verbatim transcript of the discussions at the meeting, but to record the significant features of those discussions.

Chairman Matt Gardner called the special meeting to order at 1:00 p.m. (MDT)

Board Members Present:

Matt Gardner, Chairman – Teleconference
Gilbert Pond, Vice-Chairman
Rick Garrett

DBS Staff Members Present:

Chris L. Jensen, Administrator
Ron Whitney, Deputy Administrator
Spencer Holm, Deputy Attorney General
Patrick J. Grace, Regional Manager, Region 2
Adam Bowcutt, Regional Manager, Region 3
John Nielsen, Plumbing Program Manager
Renee Bryant, Administrative Assistant 2

◆ **Authorize Notice of Omnibus Rulemaking and Notice of Omnibus Fee Rulemaking with regard to IDAPA 07.02.02, 07.02.03, 07.02.04, 07.02.05, 07.02.06, and 07.02.07**

Each year the Idaho legislature reauthorizes all existing administrative rules through June 30th of the upcoming year. This year the 2019 Idaho legislature did not pass a bill; therefore, existing rules will expire on July 1, 2019.

On April 23, 2019, DBS received a memo from the Division of Financial Management (DFM) explaining the process to reauthorize rules beyond June 30, 2019. State executive agencies, by approval of their boards having rulemaking authority, must submit completed Notice of Omnibus Rulemaking and Notice of Omnibus Fee Rulemaking to DFM no later than May 10, 2019. Rules will be published as both temporary and proposed rules concurrently in a special edition of the Idaho Administrative Bulletin in June 2019. The temporary rules will have an effective date of June 30, 2019 to ensure there is no gap with the expiring rules.

Bringing up the Governor's *Red Tape Reduction Act* and stating CEUs are not effectively used in the industry, Board Member Rick Garrett asked to remove IDAPA 07.02.05.016.02(c)(i) and (ii), at this meeting. It was determined any changes to rules would need to go through the negotiated rulemaking process.

MOTION: Gilbert Pond made a motion to authorize Notice of Omnibus Rulemaking and Notice of Omnibus Fee Rulemaking with regard to IDAPA 07.02.02, 07.02.03, 07.02.04, 07.02.05, 07.02.06, and 07.02.07. Rick Garrett seconded. All in favor, motion carried.

◆ **Adjournment**

Chairman Gardner adjourned the meeting at 1:15 p.m. (MDT).

IDAHO PLUMBING BOARD

Agenda Item No. 03 Proposed Rule Changes -- IDAPA 07.02.05 Mobile Home Installer Licensing

PRESENTER: John Nielsen, Plumbing Program Manager

OBJECTIVE: Remove Mobile Home Set-Up or Installers license from plumbing rule.

ACTION: Informational

BACKGROUND: Licensure requirements for mobile home installers is covered under Chapter 21, Title 44, Idaho Code, thus should not be required under the plumbing rule.

PROCEDURAL HISTORY:

ATTACHMENTS: Proposed rule strike through

IDAPA 07.02.05

017.SPECIALTY PLUMBING LICENSES.

The purpose of this section is to set out the special types of plumbing installations for which a specialty license is required; to set out the minimum experience requirements for such licenses; and to describe the procedure for securing such licenses. (8-25-88)

01. Qualified Journeyman Plumbers. Qualified journeyman plumbers as defined in Section 54- 2611(b), Idaho Code, shall be permitted to make installations as subsequently described herein without securing an additional license for said installation. (11-14-85)

02. Minimum Experience Requirements. (8-3-83)

- a.** Experience gained by an individual while engaged in the practice of mobile home hook-ups shall not be considered towards the satisfaction of the minimum experience requirements for licensing as a journeyman plumber. (8-3-83)
- b.** All installers shall be licensed and be in the employ of a licensed plumbing contractor or specialty contractor limited to this category. (8-3-83)

~~**03. Mobile Home Set-Up or Installers. (8-25-88)**~~

- ~~**a.** Any person qualifying for and having in his possession a current license in this category may make the proper connections of sewer and water to existing facilities on site. All material and workmanship shall comply with the requirements of the Uniform Plumbing Code. (8-3-83)~~
- ~~**b.** All installers shall be licensed and be in the employ of a licensed plumbing contractor or specialty contractor limited to this category. This specialty license does not permit any extension, alteration, or addition to the plumbing system within the mobile home or the installation of any underground plumbing outside the mobile home. (8-3-83)~~

IDAHO PLUMBING BOARD

Agenda Item No. 04

Practical Exam

PRESENTER: John Nielsen, Plumbing Program Manager

OBJECTIVE: Revamp the practical exam to be more consistent throughout the state.

ACTION: Informational

BACKGROUND: This topic has been discussed recently because a practical is required to receive a journeyman license, but the requirements are not well defined in rule, and some feel it has become more of a burden than an asset.

PROCEDURAL HISTORY:

ATTACHMENTS: Current IDAPA rule regarding the practical exam

IDAPA07.02.05

03. Journeyman Examination.

b. Successful completion of the journeyman written examination does not eliminate the requirement to complete four (4) years of work experience, defined as eight thousand (8,000) hours, under the constant on-the-job supervision of a journeyman plumber or the practical portion of the examination in order to be issued a journeyman certificate of competency. Successful completion of the written plumbing journeyman examination notwithstanding, no journeyman certificate of competency shall be issued until an apprentice successfully completes the practical portion for the examination and furnishes to the Division proof of satisfaction of the work requirements contained in Subsection 011.01 of these rules. Satisfaction of the work requirements contained in Subsection 011.01 of these rules is required before any individual is eligible to take the practical portion of the journeyman examination. (4-11-15)

012. JOURNEYMAN.

02. Examination. The journeyman examination grade is based on answers to written questions and practical work performed on plumbing installations as determined by the Division after successful completion of the written examination. Time allowed for the written examination is four (4) hours. A passing grade is required on the written examination. The practical portion of the exam may be performed on a job in-progress or in a laboratory setting and shall consist of work performed in either a residential or commercial application. The practical portion of the exam must pass with no violations. (4-11-15)

IDAHO PLUMBING BOARD

Agenda Item No. 05

Program Manager Report

PRESENTER: John Nielsen, Plumbing Program Manager

OBJECTIVE: Provide an update on the Plumbing Program's current activities.

ACTION: Informational

BACKGROUND: This topic is addressed at all regularly scheduled Idaho Plumbing Board meetings.
