~~03.~~ Filed. The petition must be filed as set forth in Section 102 of these rules. (3-20-04)

105. LICENSE RENEWAL -- FILING DEADLINES; PETITIONS FOR EXTENSION OF TIME TO FILE; LAPSED LICENSES.

01. Filing Deadline. Applications for renewal of a license must be filed by the last working day of the month in which the license expires. (3-20-04)

02. Extension of Time. A petition for an extension of time in which to renew must be filed by the last working day of the month in which the license expires. The petition must be accompanied by a fee in the amount of the prorated portion of the annual license fee for the class of license applied for, with a minimum fee of at least fifty dollars (\$50). The fee for this service is required in addition to the licensing and renewal fees provided for in Section 201 of these rules and must be paid to the Division at the time of application for licensure. Petitions not accompanied by the required fees or filed after the license has expired will not be honored. (3-21-12)

a. The petition must specify the number of days for which the extension is being requested; however under no circumstances may an extension exceed sixty (60) days. (3-20-04)

~~b. Under no circumstances may an extension exceed sixty (60) days. Petitions for more than sixty (60) days will not be honored.~~ (3-20-04)

03. Approval of Petition. Approval of a petition for an extension of time authorizes operation as a contractor until the administrator completes action on the renewal application, provided the application for renewal is filed with the Board administrator within the extended time specified. (3-20-14)

04. Failure to File. If the licensee fails to file a timely application for renewal or petition for extension, the license lapses and expires on the last day of the license period. Licenses not renewed in a timely manner are considered delinquent for a period of one (1) year from the last day of the license period and may be renewed at any time during that year. Licenses delinquent for more than a period of one (1) year must be reinstated and the applicant for reinstatement must apply as if for a new license. (3-20-04)

05. Expedited Licensure. Upon an applicant's request and payment of a fee of one hundred dollars (\$100), the Division will expedite its review and determination of a license application. The fee for this service is required in addition to the licensing and renewal fees provided for in Section 201 of these rules and must be paid to the Division at the time of application for licensure. (3-21-12)

106. SPECIAL PROVISIONS COVERED IN A PETITION TO CHANGE OR ADD TYPES OF CONSTRUCTION.

A petition to change or add types of construction must be supported by evidence, satisfactory to the administrator, of work history, job performance, experience, equipment, financial responsibility, and a minimum of three (3) letters of reference. The evidence of work history, job performance, experience, and financial responsibility must comply with the requirements of Subsections 110.01 and 110.02 of these rules. All of the evidence must specifically pertain to

work that is similar in scope and value to that for which the change or addition is being requested. (3-20-04)

~~107. RECORDS.~~

~~Board records are subject to the Idaho Public Records Act, Title 74, Chapter 1, Idaho Code. (3-20-04)~~

~~108. REVIEW.~~

~~Any final decision of the administrator or the Board may be reviewed in accordance with the provisions of the Idaho Administrative Procedures Act, Title 67, Chapter 52, Idaho Code. (3-20-04)~~

109. NOTICE.

In any contested case or other matter of Board business, written notification, mailed to the licensee or the applicant at the most current address on record with the Board, constitutes sufficient notification for all purposes within Title 54, Chapter 19, Idaho Code, and these rules. (3-20-04)

110. APPLICATION FOR LICENSURE -- DOCUMENTATION; APPRAISALS; REFERENCES; BONDING; AND FINANCIAL STATEMENTS.

01. Application Documentation. To obtain a license, the applicant must submit to the administrator, on such forms and in a format as the administrator prescribes, including electronically, accompanied by the required fee for the class of license applied for, a complete written application for such license. All of the information submitted by the applicant must specifically pertain to work that is similar in scope and value to that for which licensure is being requested or that is being requested in a petition to change or add types of construction. The information contained in such application forms must include: (3-20-14)

a. A complete statement of the general nature of applicant's contracting business, including a concise description of the applicant's experience and qualifications as a contractor and a list of clients for whom work has been performed; (3-20-04)

b. A description of the value and character of contract work completed and for whom performed during the three (3) year period prior to filing the application; (3-20-04)

c. A general description of applicant's machinery and equipment; and (3-30-07)

d. An annual financial statement, as herein defined, that covers a period of time ending no more than twelve (12) months prior to the date of submission of the application, indicating compliance with such financial requirements as the Board may prescribe by rule. The applicant's financial statement may be supplemented with: (4-4-13)

i. Bonding. As authorized by Section 54-1910(e), Idaho Code, a letter from applicant's bonding company, not an insurance agent, stating the amount of the applicant's bonding capability per project and in the aggregate, including supporting documentation; (3-30-07)

ii. Guaranty. Documentation, satisfactory to the administrator, of the existence of a written guaranty agreement between the applicant and a third-party in which the third-party guarantor agrees to assume financial responsibility for payment of any obligations of the applicant for any particular project as may be determined by a court of competent jurisdiction. The guaranty agreement, along with financial statements meeting the requirements of Paragraph 110.01.e. of this rule, must be submitted with the license application. (3-30-07)

e. For Class A, AA, AAA, and Unlimited license applications, financial statements must be accompanied by an independent auditor's report or be reviewed. For Class B and CC license applications, financial statements must be accompanied by an independent audit report or be reviewed or compiled by a certified public accountant. For Class C and Class D license applications, financial statements must be accompanied by an independent audit report or be reviewed, compiled, or on the form provided by the administrator, and include such additional information as may be required by the administrator to determine the applicant's fitness for a license. (3-27-13)

f. The name, social security number, and business address of an individual applicant or, if the applicant is a partnership, its tax identification number, business address, and the names and addresses of all general partners; and if the applicant is a corporation, association, limited liability company, limited liability partnership, or other organization, its tax identification number, business address, and the names and addresses of the president, vice president, secretary, treasurer, and chief construction managing officers, or responsible managing employee. (3-20-04)

g. Applicants requesting a licensing class higher than that for which the applicant is currently licensed must provide documentation, satisfactory to the administrator, of having performed projects, similar in scope and character to those for which license is requested. The monetary value of those jobs must fall within a range not less than thirty percent (30%) below that for which the applicant is currently licensed. (3-20-14)

02. Application for Change in Licensing Class. Requests for a licensing class higher than that for which the applicant is currently licensed must be accompanied by the information in Subsection 110.01 of these rules, and the applicable fee. Licenses granted under Subsection 110.02 of these rules are valid for a period of twelve (12) months from the date of issuance. (4-11-06)

03. Extension of Time to File Financial Statement. The administrator may grant an extension of time to file the annual financial statement if the licensee provides an interim compiled balance sheet and income statement for the applicant’s fiscal year-to-date, duly certified as true by the applicant, and if a partnership, limited liability company, or limited liability partnership by a member thereof, and if a corporation, by its executive or financial officer. Such renewal application must be filed prior to the first day of such renewal licensing period. In the event an extension is granted, the renewal license is valid for a period of twelve (12) months from the date of the issuance of the renewal license. (3-20-04)

04. Appraisals. The administrator may require submission of an independent appraisal of any real or chattel property reported by an applicant or licensee. Such appraisals must be conducted by a disinterested person or firm established and qualified to perform such services. (3-20-04)

05. References. The administrator may require an applicant for an original or renewal license to furnish such personal, business, character, financial, or other written references as deemed necessary and advisable in determining the applicant’s qualifications. (3-20-04)

111. FINANCIAL REQUIREMENTS.

The financial requirements for obtaining and maintaining a heavy, highway, building, and specialty construction license under this act must be as described in this section for each respective class. An applicant requesting a license for each class identified in this section must have a minimum net worth and possess an amount of working capital as provided in Table 111.01:
