◆ **Authorize Notice of Adoption of Temporary Rule Regarding IDAPA 07.07.01**

At the adjournment of the 2019 Legislative Session, a concurrent resolution to extend the current administrative rules was not approved; therefore, all agencies with governing boards/commissions had to approve the re-adoption of their rules. In anticipation of the possibility of it happening again, the Board has been asked by the Governor’s office to once more approve the re-adoption of their rules. The temporary rules are conditional and will only become effective at sine die if the pending rules are not approved or rejected by the 2020 Legislature.

Based on the memorandum provided by the Division, and specifically the Governor’s findings concerning the adoption of temporary rules, the following motion was made.

MOTION: Rick Garrett made a motion to accept the authorization for the adoption of the temporary rules, 07.02.02, as related to the Plumbing Board. John Kierce seconded. All in favor, motion carried.

Upon further discussion, Board Member Garrett amended his motion to include that on behalf of the Board, the Administrator has the authority to make/approve all notices and filings under the rulemaking process.

AMENDED MOTION: Rick Garrett amended the motion to include the Board delegate to the Administrator the authority to make and approve all notices and filings under the rulemaking process. John Kierce seconded. All in favor, motion carried.

◆ **Adjournment**
