The Exam Comment/Challenge is provided for you to make comments about the testing experience or to challenge specific exam items. Each exam conducted on the computer has a built in comment section and/or challenge area. This form is provided for any additional comments or challenges. Candidates may complete this form and submit to the address below. An original signature is required. Challenges must be received by the Idaho Division of Building Safety no later than 15 days from the day the exam was taken. You will be mailed a written response within 15 business days from the receipt of this form.

Comments or challenges may include exam procedures (site, location, proctor, and/or computer problems, etc.), or technical merit of any of the exam items. Challenges must contain a separate and complete statement of each ground upon which the challenge is based. For additional information, contact the Idaho Division of Building Safety at (800) 955-3044.
